

## Cut waste costs - aid children's development

Children's Scrapstore is a Bristol charity that sources clean waste materials from business. These are passed on to over 1000 groups working with children and young people for re-use as art, play and educational materials.

## Free Waste Collection

This service is free and we divert around 140 tonnes from landfill per year. We are both a children's charity and de facto waste management company.

Materials we collect are wide-ranging:

- Production offcuts and by-products.
- Rejected quality control batches.
- Bankrupt and redundant stock.
- Bulk quantities of unused raw materials, components and packaging.

## Examples

- Card & paper – all types
- Textiles - rolls, large offcuts – all types
- Netting
- Containers - boxes, pots, & bottles - unused
- Pipe & tubing – all types
- Plastics - sheet, pellet, offcuts
- Foam rubber
- Cores – card, plastic etc.
- Wood – interior/planed/sheet
- Rope, cord & twine
- Catering & medical disposables - unused
- Foils & films
- CDs & CDRs
- Stationery - all types
- Redundant stock & promotional items
- Packaging materials - (unused)
- Anything unusual
